2

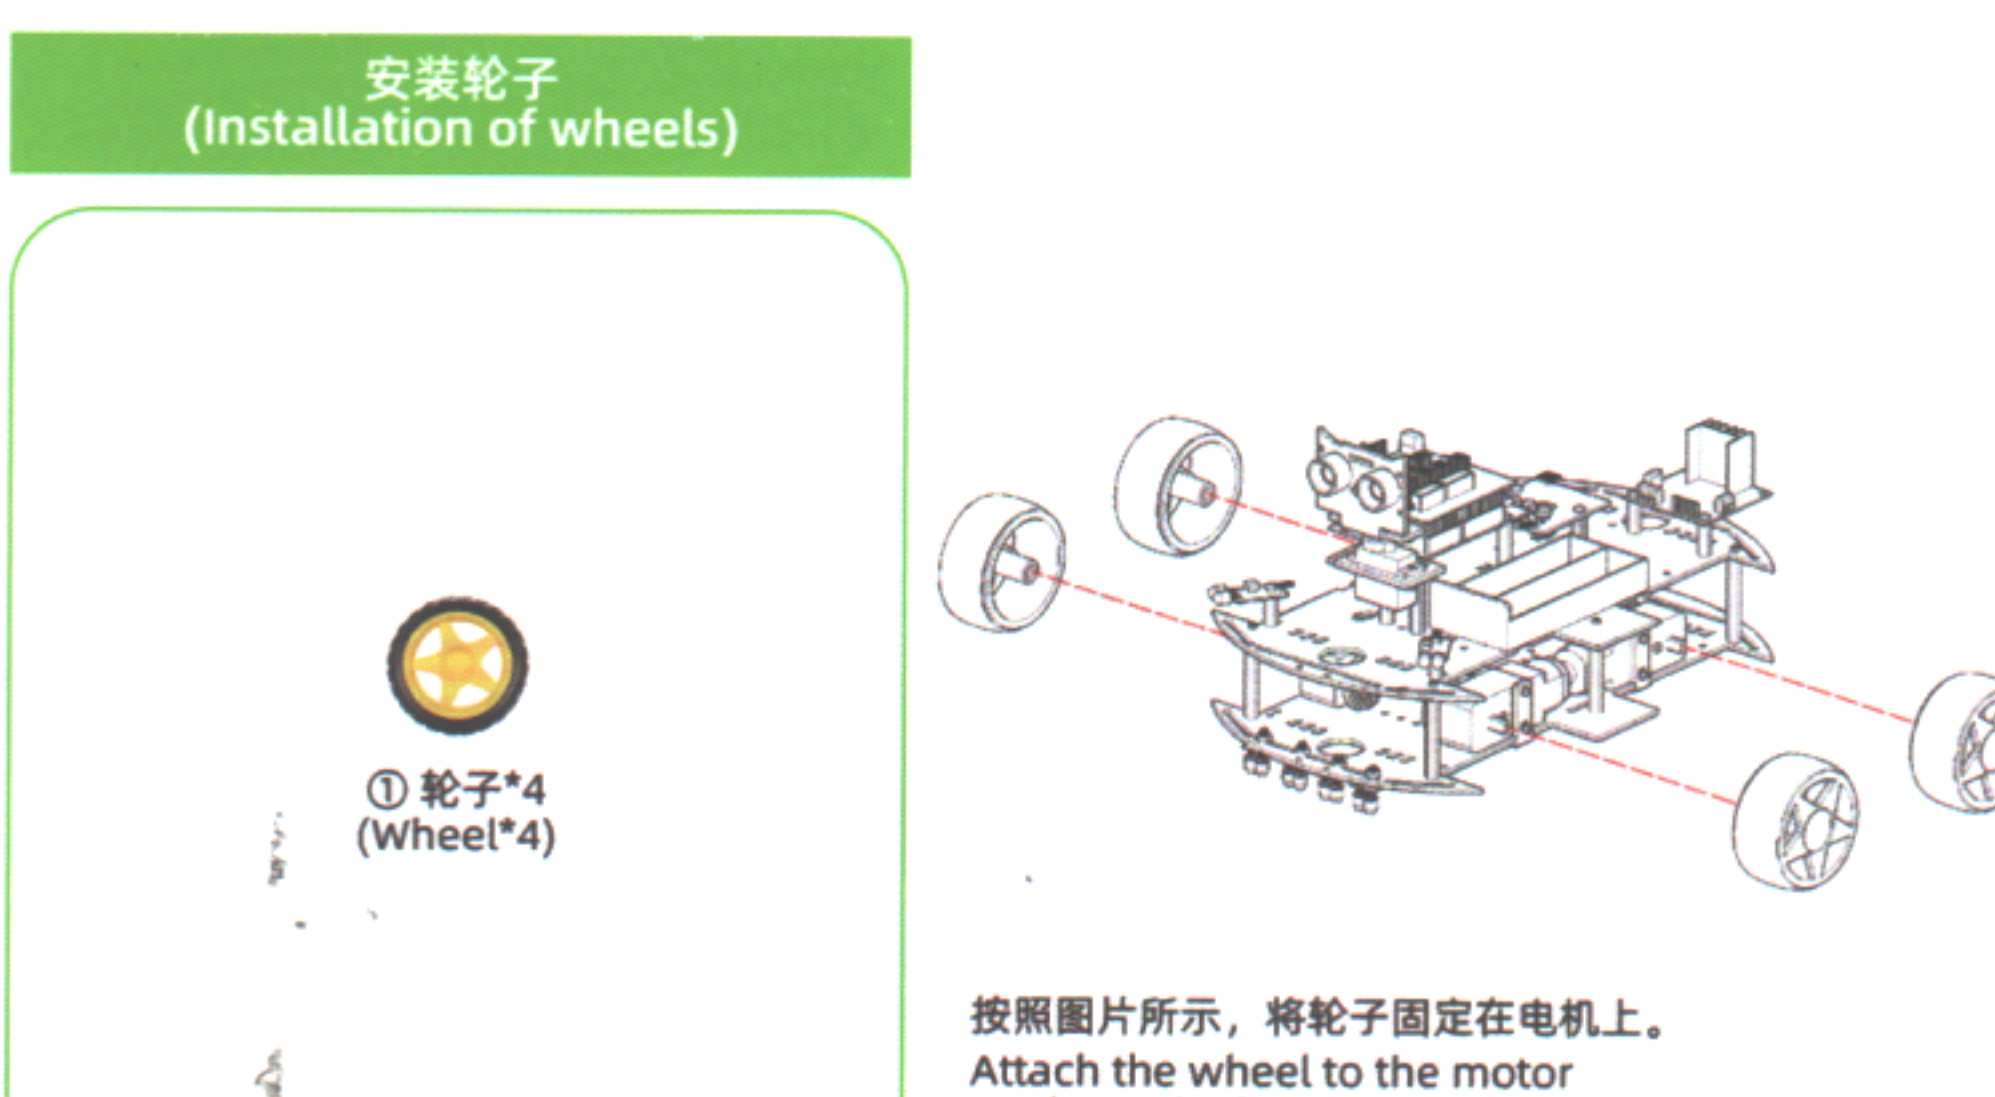

电机和测速码盘的组装 (Assembly of motor & coded disc encoder)

将测速码盘插入电机设有凸点的一面，其余三个同理。Insert the coded disc encoder into the side of the motor without the bumps, and the same for the remaining three.

4

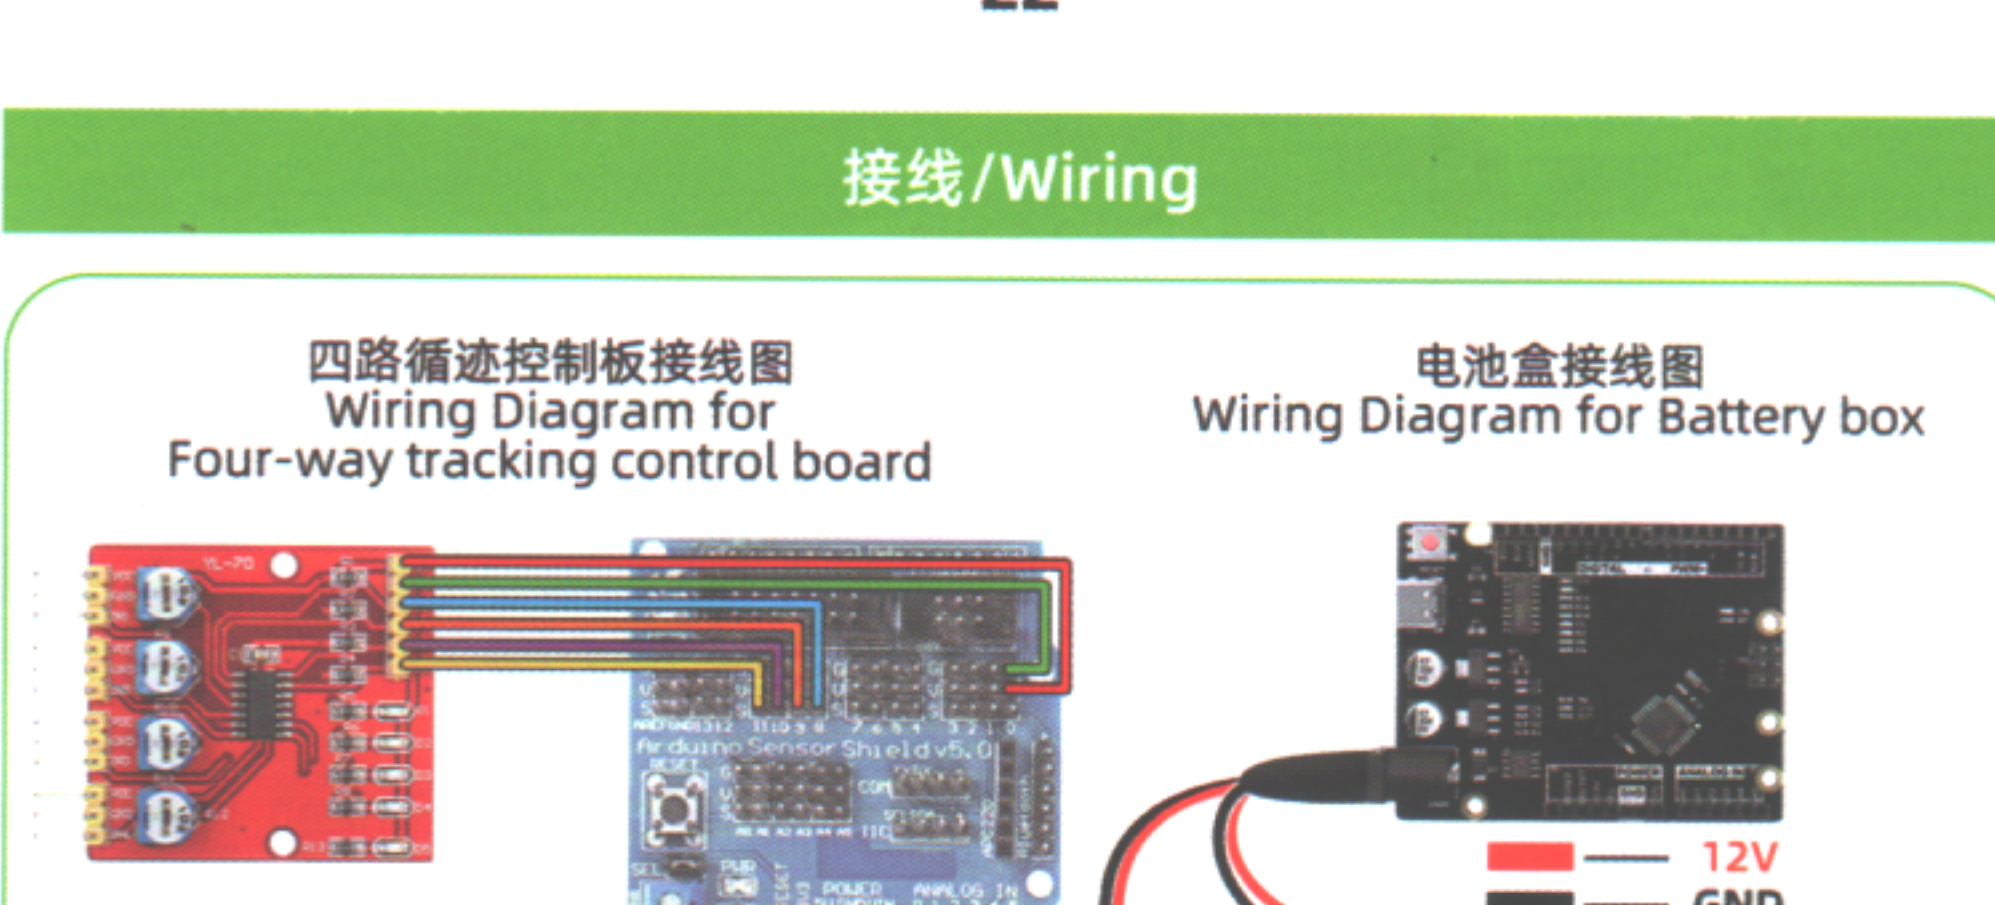

安装轮子 (Installation of wheels)

按照图片所示，将轮子固定在电机上。Attach the wheel to the motor as shown in the picture.
